

Law360 Platform Tools offers access to petitions, decisions, and other case filings at the **U.S. Patent & Trademark Office's Patent Trial & Appeal Board**.

With this tool, you'll be able to research ongoing PTAB cases and related documents, as well as set up near-real-time alerts on new PTAB cases, new activity in cases of interest, and new document filings in general.

PTAB Cases

With **PTAB Cases**, you can search existing cases and set up alerts for new cases.

Customize your search by keyword, case filing date, case type, case status, or the parties' industry, and click **Search**.

Keyword searches include the full text of underlying case documents, for even more flexibility and accuracy in your searches.

You can filter results by case filing date, date of most recent activity, case type, latest doc type, petitioner, patent owner, and/or status.

Click **Alert me of new PTAB cases** to get an email alert whenever a new case is filed that meets your search criteria.

Select a case to see case details, a list of case activity, and available case documents.

Click **Track this case** to get an email alert whenever new activity occurs in the case. You can add

documents of interest to your **Law360 Briefcase** by clicking **Add to Briefcase**.

PTAB Documents

PTAB Documents lets you search and set up alerts for significant filings in PTAB cases, as well as view and download unlimited case documents.

Customize your search by keyword, document filing date, case type, case status, document type, or the parties' industry and click **Search**.

Like with PTAB Cases, searches dig into the full text of documents to increase accuracy.

You can filter results by document type, petitioner, patent owner, and case status.
