Subscription Options

**Section**

A Law360 Section subscription gives you access to one or more sections of your choice so that you have the news and analysis you need to stay up to speed and remain competitive within your areas of expertise.

**Enterprise**

A Law360 Enterprise subscription gives you access to all U.S. news and analysis across more than 50 practice area, industry, and state sections. This includes daily newsletters and our full archive of more than 440K articles dating back to 2003. This subscription allows you to stay informed on trending issues and important topics across the legal spectrum.

**Platform**

A Law360 Platform subscription gives you access to all U.S. sections, including daily newsletters and our archive of articles dating back to 2003. You also have access to our case database of 2.6 million federal cases and our PTAB and TTAB case and document databases. This premium option also includes workflow tools such as customized alerts, My Briefcase, and organization tracking.
